P. T. A. OBSERVES FOUNDER'S DAY.

At the regular meeting of the Hondo Parent-Teacher Association Monday afternoon, February 10th, in the school auditorium, the annual observance of National Founder's Day was held with appropriate ceremonies. Preceding this, however, a brief business meeting was held, during which the faculty members made a gift of forty-four dollars, proceeds of the musical revue, to the Association, to be expended on the furniture for the Home Economics department.

The second and third grades tied for the book award of the month, therefore, each grade was presented with a book.

Miss Margaret Ann Knopp, talented violinist, entertained the assembly with the three movements of Nardini's Concerto in E Minor. Her sister, Miss Evelyn Knopp, accompanied her on the piano.

The members and visitors then repaired to the dining room of the Home Economics department, where the commemorative rites were performed. The dining table was festive with its lace cloth and centerpiece of orchid and yellow stock in a crystal bowl, and yellow tapers in silver holders.

Messames J. G. Barry, Elmer Leinweber, M. L. McDowell, and Earl Starnes lighted the candles with appropriate encomiums to the founders and to the present day workers of the organization.

Hostesses for the afternoon were Mrs. N. C. Johnson, Mrs. Earl Starnes and Miss Barbara Stubbs. Mrs. Johnson served the birthday cake, which was iced in orchid and yellow, the club colors, and Mrs. T. B. Knopp poured coffee for the guests.

OPEN LETTER IN REGARD TO BOND ISSUE.

R. J. NOONAN
County Judge of Medina County
Hondo, Texas

February 13th, 1936.
Hondo Chamber of Commerce,
Hondo, Texas.

Gentlemen:
Answering your inquiry concern-
ing the proposed issue of Fair Ground
and Park Bonds, I beg to reply as follows:

(1) The tax levy necessary for payment of principal and interest on said proposed issue will amount to one and one-half cents, per annum, on each one hundred dollars assessment which amounts to the sum of 15 cents on each thousand dollars assessed.

(2) If the bonds carry it is the intention of the court to pay both principal and interest out of the present tax levy, without any additional taxes.

(3) The property will be dedicated in accordance with the wishes of the people and will also be used as formerly, for livestock and agricultural purposes and for fairs and other amusements. The portion of the grounds not needed for such purposes will be offered to the State for park purposes.

(4) No, the stockholders will not be paid anything for their stock. The bond money will be used to pay for the land and to redeem the improvements by the payment of outstanding indebtedness. The property will belong to the county.

Very sincerely,
R. J. NOONAN,
County Judge.

O'CONNELL-CROW.

Mr. O. J. O'Connell and Miss Meda Crow were united in the holy bonds of matrimony Saturday afternoon, February 8th, at 4 P. M., at the home of the bride's parents, Mr. and Mrs. J. W. Crow. The ring ceremony was used; Rev. Shan M. Hull, pastor of the Hondo Methodist Church spoke the solemn words that made them husband and wife. Miss Mattie Mae Newcomer, an old school-mate of the bride, and James B. Crow, brother to the bride, stood with the couple while they were married.

The bride and groom left immediately after the wedding for San Antonio, where they were to spend their honeymoon, after which they would return to Hondo for a brief visit, then move to their new home in Joplin, Missouri. Following the ceremony, refreshments consisting of angel food cake, sandwiches, and coffee were served to the following witnesses to the wedding: Preston Langford, James B. Crow, Mattie Mae Newcomer, Joyce Newcomer, Corine Taylor, J. W. Crow, Mrs. J. W. Crow, Mrs. O. G. Crow, Edith Crow, Alice Crow, Mrs. V. H. Blocker, Mrs. S. M. Hull, and the pastor, Rev. Hull.

The Wednesday Night Bridge Club met this week with Dr. and Mrs. O. B. Taylor as hosts to four tables of players. Mrs. L. J. Brucks and Dr. W. H. Smith won high score prizes for members and Mrs. B. R. Eichenroht won for guests. Refreshments of frozen egg nog and angel food cake were served to the following: Mr. and Mrs. L. J. Brucks, Dr. and Mrs. W. H. Smith, Dr. and Mrs. H. J. Meyer, Dr. and Mrs. T. B. Knopp, Mr. and Mrs. Earl Starnes, Mr. and Mrs. L. E. Heath, Mrs. B. R. Eichenroht, Miss Lillian Brucks, and Dr. and Mrs. Taylor.

DID YOU EVER STOP TO THINK

By Edson R. Waite,
Shawnee, Oklahoma.

Every business concern profits in dollars through increased prestige of the home city.

A lot of people who are not interested enough in good government to vote should soft-pedal some of their opinions.

A business that has faith in itself advertises and wins the faith of the public.

Taxation is the process of taking a dollar from somebody to whom it belongs rightfully and using it for the benefit of the people collectively—it matters not in the taking if it is somebody's last dollar. "Sold for taxes" is a common phrase.

No matter how worthy a cause the live business men of your city are promoting or the results obtained, you will always find a bunch of fault-finders ready to use their hammers.

Honestly merely because it is the best policy is a species of dishonesty.

Advertising is profitable for a community or state as well as for an individual or private corporation.

Square pegs will not fit in round holes, it is true, but square pegs can be made round and find themselves fitted very nicely—often in a shorter time than they could have found a square hole—and a more comfortable and lasting fit.

A wise man in India says that intelligence is inherited and knowledge is acquired. We wonder!

Advertising is the lubricant which takes the squeak out of the wheels of business.

The Anvil Herald is your best Advertising Medium.

BAPTIST NEWS NOTES.

Congregation attendance at the Baptist Church on last Sunday was noticeably depleted on account of the extremely cold weather. However, those who braved the winds suffered little, since the heating plant served well. The business meetings, which were to be held after the sermon, were deferred until next Sunday, at which time we shall have some very important matters to be considered. And further, the Pastor will, upon special request, preach on the Bible Doctrine of the Qualifications and Duties of the Deacon. This office in the church is very important, and it is hoped the entire congregation will give this matter the consideration which it deserves.

ATTENTION.
On Sunday morning, February 23, we are to have with us a returned Missionary from Soviet Russia, who will tell us all about Red Russia, the social, religious, industrial and political conditions obtaining in that much discussed country. He will describe the practical workings of communism and show the practical workings of anti God legislation in that revolutionary country. The general public of Hondo and all the surrounding country are most cordially invited to hear this address, which will give dependable, first-hand information on this bloody country. Indeed, it is considered the duty of every free man to inform himself concerning the impending dangers of Communism. So get yourself ready and be at the Baptist church at the time named above—11 o'clock Sunday morning, Feb. 23rd. The speaker on the above occasion spent 22 years among the Russian peoples and knows his subject.

R. W. MERRILL, Pastor.

ANNOUNCEMENT.

Rev. E. A. Hunter, Presiding Elder of the Brownsville district, will preach at the Methodist church Sunday evening, Mrs. Hunter will sing.

HONDO METHODIST CHURCH.

Shan M. Hull, Pastor.

Our Training School came to a close Wednesday evening, February 12th. The School was a success from several standpoints, 30 people received their certificates at the close of the school. After the graduation exercise, Wednesday evening, refreshments consisting of sandwiches and chocolate were served. There were several who attended the classes as auditors.

Our 2nd. Quarterly Conference will be held this coming Sunday afternoon, at 2:30 o'clock. Rev. J. J. Mason, our Presiding Elder, will preach at the eleven o'clock hour. There will be special music at the morning hour a violin duet by Prof. Gousner and Miss Velma Carter.

Let's not forget the special offering Sunday morning for the underpaid preachers of our West Texas Annual Conference. There are some twenty-five or more who are receiving an average of \$411.00, while there are some eight or ten who are receiving \$300 or less per year, and these men have families too.

ST. PAUL'S LUTHERAN CHURCH.

A most welcome improvement in the furnishing of our church is a new organ, which arrived this week. The old one has given years of service, but was much in need of being replaced by a new one. The organ is a chapel reed organ manufactured by the world famous Essey Organ company of Brattleboro, Vermont. The case is of oak to match the other church furniture.

The new organ is a gift of the Ladies' Aid Society to the congregation. It will be dedicated at the service next Sunday.

Sunday, February 16, English service at 10:30. Dedication of new organ. Service at Sprotville at 2:30. Sunday school and Bible classes at 9:00 A. M.

The season of Lent will begin Ash Wednesday, Feb. 26. As usual, mid-week services will be held each Wednesday night beginning Feb. 26.

"CHARLIE CHAN'S SECRET" CURRENT AT COLONIAL.

Warner Oland, famous star player of the role of the easy-going sleuth, Charlie Chan, is brought again to the Colonial Theatre screen Friday and Saturday nights in the mystery yarn, "Charlie Chan's Secret". Warner Oland is called upon to solve the mysterious disappearance of a man believed to have been drowned at sea while several people make use of his fortune. The missing man puts in an appearance but is killed before anyone learns of his visit to the old homestead. At a seance his body is made to appear when another murder is attempted and of course everyone is under suspicion. Chan is forever stalking his prey and, following another seance, traps the murderer. Some good comedy is supplied by Herbert Mundin. Others in the cast are Charles Quigley, Henrietta Crossman, Rosita Lawrence, Edward Trevor, and Astrid Allwyn.

MANAGING EDITOR.

For reasons that to him seem sufficient, the Managing Editor of this paper does not, at this time, wish to defend editorially either the pro or the con of the proposed \$20,000.00 bond issue. He prefers rather to tender a reasonable use of his columns to any organized body or individual taxpayer to discuss freely any phase of the issue from any angle desired in a signed communication in the paper, hoping that whoever chooses to avail himself of this right of free speech will couch his arguments in such language as he is willing to accord those who differ with him. Whatever the tax payers decide as to the question at issue, let us not forget that the majority must rule. Let us all try to do so act that whoever wins may have the conscious assurance that they won fairly and whoever loses cannot question but what they lost the same way. We must live on together as neighbors long after the question at issue is settled; let us try to live as friends—a thing possible only when founded upon mutual respect for each other's fairness and honor.

MANAGING EDITOR.

THE EVENTUAL RESULT OF UNBALANCED BUDGETS.

"When we live beyond our financial means, we have unbalanced budgets. And when we persist in a course of this sort, year after year, we ruin ourselves. This simple truth holds true of the individual, of the village, of the large city, of the State and of the Federal Government."—Winthrop W. Aldrich, Chairman, Chase National Bank.

"It is for us, the living, to be dedicated to the safeguarding of the Ark of our Covenant, that from the honored fathers of our nation we take increased devotion to the form of government they with their inspired vision and political genius so splendidly designed; that we highly resolve steadfastly to refuse to barter our inheritances as citizens of sovereign commonwealths, or suffer our states to be levelled and obliterated under the power and weight of swollen centralized authority; that this Federal Union shall have a new consecration and that government of the people, by the people and for the people, under powers reserved to them, in their separate states, shall not perish from the earth."—Arkansas Gazette.

GOVERNOR LANDON TO FARM BOYS.

Governor Alfred M. Landon, of Kansas, who may be the next Republican Presidential nominee, contributes some sound advice in one of a series of "Success Talks for Farm Boys" now appearing in The Progressive Farmer. Says Governor Landon:—

"In response to The Progressive Farmer's request, I am happy to mention a few qualities which I believe are marks of true success, whether on the farm or in our greatest metropolises.

"Man has no greater asset than sound and upright character. To build fine character one must have a well-balanced sense of values. It is vital to know the value of a dollar, but money will not buy loyalty, friendship, and love, which are priceless. If this civilization is to continue, the test must be not what a man is worth in money, but what he is worth in character.

"An appreciation of beauty in nature, art, and music makes life more truly enjoyable wherever one may be. There is place for courage, kindness, tolerance, understanding, and humor in every life as well as for justice and sternness. Good health is a steppingstone to much real attainment, for it makes great effort possible, and gives zest to so much that is worthwhile. Any training that helps to make these attributes available is worth the expenditure of a deal of great energy.

"The record of progress written by the farm boys and girls of the country is an inspiration to all, and the youth of the Southern States is doing its part in this development. The way our boys and girls are clinging to sound values despite hard times and the manner in which they are preparing for life—all this is refreshing and inspiring.

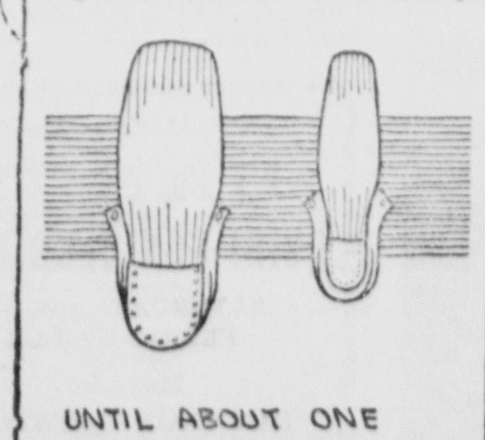

"The 4-H clubs, Future Farmer clubs, and schools with vocational training are giving farm boys and girls a practical education for life. They are teaching sound principles for the development of character, intelligence, straight thinking, and culture."

And God heard the voice of the lad. Gen. 21:17.

Ishmael, the lad and his mother did certainly not part with a prayer on their lips, from the house of Abraham. Knitted brows, fierce scowls, muttered threats, clenched fists, vengeance in their heart as they hiked away; and then, most likely, came a stretch of rage and fury and nervous violence at the former host and hostess, and they kicked the dust high in the tempest of their heart; and then a dash of bumptious and swaggering insolence about building their own future and, some people can go to (the so familiar place for some), and the dust flew still higher; and then, while that desert sun grew almost unbearable, and the water in the jug less, and the feet, oh, so tired and sore, then the voice became muffled, the heart sank, just enough breath to groan and moan, and there was darkness before those eyes, the lad sank, the mother dragged him in some shade, then—just a little revived, just a soot sibilant whining: The end of the trail? No, then there was something yet, more important than all the frenzies of self-torture, then there was a lad—praying in the agony of his young life. And God heard that voice in that luckless waste. Try as you may, you will not shake off those impressions and memories, good or bad, of your home-surroundings. They may lie dormant for a while, seemingly forgotten, but some night they may rise like a spectre from a grave and stand at your bedside with hollow eyes and clattering arms; some day they may rise like a mirage in the clouds, with all the beauty and romance of a piece of paradise, beckoning onward and upward. The lad, a mocker otherwise, had also learned to pray at home—and that prayer was a life-saver for him now. Does your home provide such life-savers for your children?

The Ladies' Aid had their monthly meeting and those present had not been there in vain. The attendance fluctuates, like our winter weather, but the number present went a ways beyond a dozen, and they went at it with a will—preliminaries for another Christmas box to the missions in New Guinea; an additional sum of \$10.00, as our annual gift, for the same cause; and a gift of \$25.00 to the congregation by cancelling an old debt, just a few items at random. 'Twill not usher in a new era in U. S. history, but it's all a fair sign of normal strides. Would you not like to join us? Or do you more of his—without being a member?

How did the last Luther League program suit you? Many were there who could tell the tale. New talents are coming to the fore, and new surprises in single, quartet, quintet and choir presentations are pleasing to the ear, even for the more fastidious. We are not competing with metropolitan grandeur, but the lark and the nightingale are not singing on the lowest rung of the musical ladder. With hopes for another great evening, we attach the new assignments: Recitations, the Misses Edna Loessberg, Corine Nietenhoefer; selected readings, the Misses Lucille Boehle, Pauline Graff; vocal selections, Herbert Reitzer, Miss Lucille Bohlen; instrumental number, Mrs. Alb. Reus. And that's only a small part of the total.

Announcements for February the 16th: A German service at 10:30; Sunday school at 9:30; the English evening service at 7. Can you afford a Christian life without attending public worship?

SO MUCH FOR SO LITTLE.

FARMING is in a position to do an unusually good turn for its friends by furnishing them both FARMING and The Pathfinder a full year for the bargain price of only \$1.00. The Pathfinder is America's most appreciated weekly magazine, published at the Nation's Capital, for all the nation. It deals with politics, government, science, industry, world events and every subject that intelligent people want to know about. It is not partisan. It never boosts favored individuals or pet doctrines. In The Pathfinder you get much interesting information—many pertinent facts that are seldom published elsewhere. You and your whole family, young and old, will like The Pathfinder, as millions of others do. FARMING and The Pathfinder make a splendid team; each one supplements the other to give you a COMPLETE reading service. You need both of them. Don't miss this chance.

Most of us have a way of taking things for granted and give little heed or appreciation to the efforts made to serve us. For instance, many go to the Colonial Theatre, enjoy the entertainment and go away without realizing how much it has cost Mr. Jennings to equip his show place and maintain it at a standard of efficiency that would do credit to a metropolitan show place. He has just recently invested several hundred dollars in modern improvements, including the latest thing in sound screens. Sound effects in the picture industry are being constantly improved and Mr. Jennings is keeping right up with the march of progress with his improvements.

INFORMATION FOR OLD AGE PENSION APPLICANTS.

Ross Payne of Del Rio, District Supervisor of District 15, Texas Old Age Assistance Commission, was in Hondo this morning and stated that plans for handling the Old Age Assistance were being satisfactorily worked out, and gave the following information to us:

1. "There will absolutely be no application blanks issued from the district headquarters in Del Rio," he said. "They must be obtained in Hondo from the Chamber of Commerce and this newspaper, after they are filled out, they must be MAILED to the District office in Del Rio. These two regulations have been laid down by the Commission in order to speedily handle applications. "It is my purpose," Mr. Payne said, "to push this work as rapidly as possible, and this is our reason for wanting all applications mailed to District headquarters."

2. As soon as an application, which must be in duplicate, is received at the District office, the original, correctly filled out, will be sent to the Commission headquarters in Austin, and the duplicate to one of the Investigators who will personally check and verify all information contained in them, and make his recommendation accordingly.

In order for an applicant to assist us in speedily determining his eligibility, the following should be observed:

1. A single person over sixty-five years of age should not have property equal in value to \$5000, nor an income of \$360 annually; and if married, the property must not equal \$7500 in value, and the joint income must not equal \$720.

2. Each applicant should be able to describe all personal property, including jewelry, furniture, automobiles and live stock, in addition to his or her real property. All applicants should have the following information available:

3. Original purchase price and date of purchase of all property.

4. Description of property from the county tax assessor's listing book, number, etc.

5. Amount of property rendered for on tax rolls.

6. Name of lien holder and amount still due on mortgage, as well as total equity in property. Also date and amount of lien.

7. Description of all property disposed of during the last two years, person sold to, and purchase price obtained from such sale. Also date of transfer.

Mr. Payne states that all positions have been filled in District 15 and that he is personally interested in seeing every person entitled to a pension receive same, and that the Federal Social Security Act, which only allows pensions to those in need.

MUSICAL COMEDY TO BE BANG NIGHT FEATURE.

"In Caliente", a musical with comedy a dominant note, brings to the Colonial screen Monday and Tuesday night the attractive Dolores Del Rio, Pat O'Brien, Edward Everett Horton, Glenda Farrell, Leo Carrillo, Phil Regan and Winifred Shaw, and the De Marcos dance team. Set in the most enticing Caliente in Mexico, the atmosphere is one of gay holiday making in a land of sunshine and song.

O'Brien is the editor and publisher of a smart New York magazine. He is his silent partner who tries to save him from the gold-digging Miss Farrell, only to plunge him into a trouble with Miss Del Rio, a dancer who learns that O'Brien is the editor whose published criticism of her appearance in New York the year before had caused her to lose considerable prestige and her manager's number of dollars. She plans to get revenge.

USED BY COURTESY THE OWL.

T. A. Founder's Day Observed.

The last meeting of the Parent-Teacher Association was held in the auditorium Monday, February 13th. The interesting short program was given solo by Margaret Ann Knopp, Evelyn Knopp accompanying on the piano.

The business session of the teaching staff of the forty-four dollars which they had made on the program of last week, be taken by T. A. to help pay for the Home Economics furniture. That will make a total of ninety dollars paid on the furniture.

The second and third grades with the same number of mothers present, each received a book.

The meeting had especial significance as it is the anniversary of the birth of T. A., known as Founder's Day. To commemorate the occasion four candles were lit by Mrs. Knopp, Mrs. Leinweber, Mrs. McMillan, and Mrs. Barry, and appropriate speeches were given.

Immediately following, the club turned to the Home Economics where they were served coffee and cake. The hostesses were Messrs N. C. Johnson, Earl Starnes, Miss Stubbs.

Strict F. F. A. Meeting Held in Dilley.

C. D. Sadler and four of the members of the Hondo Chapter, F. F. A., attended the meeting of the Win-Garden District, F. F. A., in Dilley Saturday.

The boys were shown through the community work center, which contains a hide tanning plant, a cannery, a sewing room, a mattress factory, and sewing rooms. Short lectures were given on the operation of each department.

The Agricultural teachers met and discussed the issuing of certificates. They decided that preliminary examinations were to be given to the Agricultural teachers, and that certificates be issued after an examination by the District Committee.

The regular meeting of the Win-Garden Chapter was held. It was decided that the annual Basketball Tournament be held in Cotulla, and a tennis and track meet be held in Hondo. The date of the basketball meet is March 7; the date of the tennis and track meet has not been set. There will be a stock judging contest held at the Montgomery Ranch at a date to be selected by the Executive Committee of the District Chapter.

CHORAL CLUB TO PRESENT OPERETTA.

The Hondo High School Choral Club will present a Chinese operetta, "The Feast of the Little Lanterns", at the high school auditorium on the evening of February 28th.

The story of the play is as follows: The ancestral estate of Prince Lan is held in trust until the Feast of the Little Lanterns, when it is to be given over to any two surviving children. The first act opens with the celebration of the feast, at which Princess Chan is present, but is in great sorrow, because her brother and sister, spirited away from their mountain summer home, have never been found, and with the end of the feast will come the loss of her home.

The governess and the little maid, Wee Ling, try to arouse the Princess from her sadness, and Wee Ling very nearly succeeds when she induces the Princess to give audience to the Japanese juggler girl. The latter dances for them until summoned to the palace of the Emperor.

In the second act the Princess is recovered alone and lamenting. The Emperor comes in with Wee Ling, who is in mischief. Following close on this comes the juggler girl, announcing that the Emperor has information that the long-lost sister of the Princess is alive and near. Careful search is instituted, and in the end of this, the little maid finds a ticket in which is half a coin that matches exactly the one locket that the Emperor has always worn. The juggler maid claims the jewel. Close questions and answers follow, and recognition of each other. The

Medina County Basketball Tournament to be held here Friday and Saturday.

A different method of deciding the county basketball championship will be inaugurated Friday and Saturday, February 14 and 15, at the Fair Grounds gym. The six competing teams will play a round robin tournament, each team playing every other team, and the championship will be decided on percentage.

Not too much is known about the strength of the various teams. On paper Yancey and Castroville are the favorites, but Yancey had trouble nosing out the Owls Monday night by a close score of 19-17. If those "Birds" would shoot more they would get more points—they depend entirely too much on crisp shots.

School will probably be dismissed Friday at noon in order to allow Hondo children to see most of the tournament. Since this is a county-wide affair, Hondo children will be required to pay for the games, the same as children from other schools. Admission prices will be 10c and 15c per game or 50c and 75c for series tickets. Officials will be Nemo Herrera and Mike Williamson of San Antonio.

Among those who will play sometime during the tournament for the Owls are: Monroe Rucker, Hugo Schweers, Jack Hartung, Tommie Danie, Babo Windrow, Edward Edwin, Jack Fitzpatrick, Howard Hueser, and Clinton Grell.

The schedule of games for the tournament are as follows:

Friday—A. M.

9:00, LaCoste-Hondo
10:00, Natalia-Yancey
11:00, Devine-Castroville

P. M.

TENNIS.

Due to nice weather the past week, many of those who intend to go out for tennis in the County Meet are seen practicing nearly every afternoon, but there are still many others who are not practicing. May we remind you that the County Meet is not very far off? In fact, it is just around the corner. It will probably be held the first week in March. (The tennis part of the Meet.) Thus the elimination matches will have to be played during the last few days of this month and the first few of March. Come on, boys and girls, if the weather permits, practice! practice!

SOPHOMORE WHO'S WHO.

This person is light complexioned, weighs 112 pounds, and her eyes are the color of brownish grey.

She lives about four blocks from school in a Spanish type home. Some of the qualities of this girl are: She can dance, both ballroom and tap; she was elected the Sweetheart of the F. F. A., and was also elected the sweetheart of the D. M. Club. She has been a member of the Choral Club and Pep Squad for two years. This girl can play all types of music on the violin. She has been attending our school since she was in the second grade.

RESOLUTION.

Hondo, Texas, Dec. 10, 1935.
Hon. County Commissioners' Court of Medina County, Texas,
Hondo, Texas.
Gentlemen:

We, the undersigned, constituting the Farmers' Council of Medina County, Texas, respectfully present the following resolution which was passed by our Council at a meeting held on Dec. 9th, 1935, and request that same receive your earnest and immediate attention.

RESOLUTION.

Whereas, during the recent world war the flower of our citizenship offered themselves in the defense of our country, many of whom made the supreme sacrifice by giving their lives;

Whereas, it has long been the desire of our people to establish a fitting memorial in recognition of said patriotic services, and in memory of our dead heroes;

Whereas, we believe it would be the wish of our said soldiers, if they could express such wish, that any memorial erected in their memory should be one useful as well as beautiful;

Whereas, it is the consensus of opinion among us that nothing more decorative or useful could be constructed than a beautiful County Park with a fitting bronze tablet, which could be converted into a State Park maintained by the State and at the cost of the State;

Whereas, for a number of years Armistice Day has been commemorated and kept by our people at the Medina County Fair Grounds which place is most excellently located and equipped for every kind of lawful amusement, with an abundance of good water and electric lighting;

Whereas, said premises consisting of 90 acres of land could be beautified as a park and also used as a place of amusement and for agricultural exhibits by the people of this county;

Whereas, said premises could be purchased at a reasonable cost of approximately \$20,000.00 including the land and costly improvements;

Whereas, we find that Medina County out of its present levy of taxes can purchase said property and pay for same, over a period of years, without any additional tax levy, thus

OPPORTUNITY.

Yes, YOU have an opportunity!

The towns in this county have every year what is called a County Meet. In this, each town sends its best representatives to Hondo (where the Meet is held) to compete with the representatives from other towns. Literary, as well as track, events are held during the several days of the County Meet.

Have YOU entered any phase of either literary or track events? Remember that whatever you may choose to take a part in, you are helping yourself as well as the School.

Some of the things that are open for competition are declamation, spelling, essay writing, extemporaneous speaking, baseball, tennis, and track events.

Perhaps you think you couldn't declaim or speak, if you tried. Well, perhaps you couldn't the first time. But the first time is just getting ready for the second and third and fourth times.

There are but few students who try out for essay writing and extemporaneous speaking, but this is not because we can't do the work. It is because we don't care enough about our School to cooperate in its activities. Let's have some entrants in these events!

Here's your opportunity, students, to show what you are capable of doing.

OWLETS—BASKETBALL.

The Hondo High School Owls played only two games the past week, one with Sabinal and one with Yancey. The Owls were defeated in both games. The score of the first game was 23-19 in favor of Sabinal. In the other game of the week Yancey managed to "nose out" the Owls by the close score of 19-17.

DEVINE NEWSLETS.

From The Devine News.
FROM YANCEY.

Miss Wilkinson and her H. E. Class
gave a very interesting play last Sat-
urday night at the school auditorium.
They sold peanuts, popcorn, pies,
enolate and coffee.

Miss Frankie Wiley had her brother
visiting her last week-end.

Mrs. John Herger came out for the
entertainment last Saturday eve.

Mr. Coy Berry went to San An-
tonio last week, and returned Satur-
day. He has been suffering for a
week or more with severe pains in
the side. The doctors advised an ap-
pendectomy which he will probably
undergo during this week.

Mrs. Marvin Bohmalk and little
son, Roy, and Miss Gladys Bohmalk
returned from Hawthorn, California,
last Saturday.

Coach Eggen took his basketball
team to Lytle for the tournament.

The girl's volleyball team was also
in Lytle for the tournament. So far
the teams have done good work, the
boys bringing a trophy back.

Miss Norma Ruth Crockett of San
Antonio spent last week-end with
homefolks.

Messrs. Edgar Muennink and Ro-
land Saathoff of San Antonio were
week-end visitors with homefolks
here.

Owing to inclement weather and
some sickness in the community there
were only about 55 per cent of the
Sunday school members in atten-
dance last Sunday.

Mr. and Mrs. McCrea and little son
left Sunday for Burnett and Lampas-
as where they will visit homefolks for
a few days. They were accompanied
by their aunt, Mrs. Simpson, who had
been visiting here for a month.

Mrs. McCrea's mother, Mrs. George
Worley, of Uvalde also went to visit
relatives at Burnett.

Mr. Coy Worley has been sick for
several days, not able to be up. We
wish him a speedy recovery.

Mrs. J. G. Weekley and Mr. Em-
mett Berry went to San Antonio with
Mr. and Mrs. Coy Berry who will be
at the Nix hospital for an operation
for appendicitis.

Mr. J. G. Weekley and his cow
hands left early Monday morning for
their ranch below Pearlsall.

Mr. and Mrs. August Gerdes and
son, Wallace, were the guests of Mr.
and Mrs. Henry Faeeler last Sunday.

Mrs. H. N. Burgin and Mrs. Luella
Ward attended the funeral at Hondo
Sunday of the late Peter Weyand.

Albert Wilson, a student of Texas
University, came home Friday night
to spend the week-end. He left again
Sunday afternoon.

Miss Dora Mae Wilson spent the
week-end at home with her parents.
Mr. Wilson has not been real well of
late but is improving.

Leroy McCaughan has been absent
from school for several days and is
laid up with a cold.

BIRTHDAY SURPRISE.

Mr. Aug. Schott, Sr., was surprised
Tuesday night, January 28th, being
his 73rd birthday. Those present
and who took part were: Mr. and
Mrs. J. F. Schott and family of Cas-
troville, Mr. and Mrs. August R.
Schott and family of Castroville; Mr.
and Mrs. E. A. Schott and family; Mr.
and Mrs. W. D. Schott and family;
Mr. and Mrs. Alfred Schott; Mr. and
Mrs. Joe Poerner; Mr. and Mrs. M. A.
Keller and Mr. and Mrs. Jos. Schmidt.
Lunch and refreshments were served
at 11 o'clock. Everybody wished Mr.
Schott many happy birthdays.

FINE FARM FOR SALE.

The L. J. Schmidt 640-acre farm,
1 1/2 miles northeast of Yancey and
one mile east of Yancey-Hondo road,
is for sale on easy terms. This is a
beautiful tract of land lying in a
square and is faced along the entire
south side by a public road. It is a
fertile, sandy loam soil and every
foot is tillable. There are three
fields, one of 185 acres, another of
145 and another of 10 acres, or a
total of 330 acres in cultivation. The
balance of 310 acres is divided up in-
to two pastures and a trap for work
stock, and all three are accessible to
and are watered by a large earthen
tank. This tank is kept constantly
supplied by the overflow from a never-
failing well nearby. The well is
fifty feet deep and has never failed
in water. It is equipped with wind-
mill. Also there is a 90-foot drilled
well with a head of 45 feet of water
within 100 yards of the center of
the tract. Place is well fenced
throughout, has two comfortable ten-
ant houses, big double barn and other
out buildings. Property is located
in a good neighborhood, in easy walk-
ing distance of a first class agricul-
tural high school, postoffice, store,
and Methodist and Baptist churches.
Place will be sold at a moderate price,
on easy terms. The man wanting a
good farm home or a farm invest-
ment, close to both a proven oil and
gas field, will do well to see or com-
municate at once with either the owner
or either member of the HONDO

ONE MINUTE SERMON.

The Lord bless thee and keep
thee, Nu. 6:24.
A veritable sea of good wishes
has flooded the world during
this season, coming from every
nook of the globe, in every con-
ceivable form and shape, worded
in glowing terms, embroidered
often with crude, and often with
the most artistic embellishments,
and wishing you anything and
everything from a cozy corner
in a simple hovel up to the un-
counted treasures of fabulous
wealth, anything and everything
within the reach of human
thought. It's an old custom and
not a bad custom. Granted, that
many of these sentiments
breathe trivialities, trifling non-
sense, and convey the sound of
tinkling brass, yet the greater
number are the expression of
ideal realities and flow from a
sympathetic, sincere heart. And
there lies their ethical value,
their encouraging effect, their
pleasure derived from their
reading. And there it ends.
If the well-wisher could
transform his wishes into
facts, bring about what his felici-
tations contain, what a paradise
we would have on earth. But
he cannot. Mere wishes do not
make realities. And there is the
great illusion, if we leave the
Lord out of the bargain, for on-
ly He can give what your heart
desires. Will we ever admit it,
candidly and consistently? And
He is ever willing to do it. He
himself has suggested that pray-
er, "the Lord bless thee and keep
thee". Here are the elements,
the ingredients, that make up a
truly happy New Year, a whole
happy life. There may be a
multitude of makeshifts and fu-
tile attempts at happiness by
man, but there is no true bless-
ing without Him, that ever-abid-
ing conviction, "All's well."
Only He can keep thee as "the
apple of His eye", regulate your
affairs to His satisfaction, and
keep thee from interfering with
His invariably best intentions,
temporal and eternal, in your
behalf. Can anyone do more
for you? Why not trust Him?
I find no better New Year wish,
and my wish is a prayer for you,
than the petition of our text:
The Lord bless thee and keep
thee.

FEED AND CARE OF THE SOW AND PIGS.

By V. M. Couch.

If the brood sow intended for
spring breeding has been properly
fed and cared for during the winter
she is not too fat and is healthy and
vigorous. To produce strong pigs, we
must begin with the sow, because
only healthy sows can produce healthy
pigs. A variety of feeds, avoiding too
much corn, and providing good shel-
ter bring about the proper conditions.
Good farm grains, a mineral mix-
ture, legume hay and a small amount
of tankage, skim milk or soy beans
will supply all the bodily needs of the
pregnant sow and generally insure
strong litters.

It is a good plan to get the farrow-
ing house scrubbed out with hot lye
water and bedded down with clean
dry straw. Also before the sows are
ready to farrow shut them in a pen
and wash their bellies, legs and
around the ears carefully with warm
soap water. This helps as a preven-
tive of internal parasites. If the
sows are to farrow in individual
houses out in the field, get the
houses located on clean ground, and
where other hogs have not ranged
for two or three years. Sanitation
among swine is just as important as
with any other farm stock, and more
so than with some.

Immediately after farrowing good
results are had by feeding nothing
but slops for a couple or three days,
to which may then be added oats
wheat bran, shorts, potatoes and
roots in limited amounts. If given
corn and other feeds at first the milk
giving functions will be unduly stim-
ulated and the pigs are likely to get
the scours. The writer has found
mangel beets an excellent feed for
sows for a month or more before
farrowing. At no time after farrow-
ing should the sow be fed so as to
cause her to give more milk than the
pigs can readily take care of, then
gradually increase the amount, but
never more than she will eat up
clean. The main point at this time
is to feed so as to give strength, and
to avoid food that will be heating or
cause costiveness. If the latter ap-
pears give a good feed of wheat bran.
The day of feeding the pig until it
is weighted down with fat is past.
The more rapidly the pig takes on
fat and grows the better the pork
produced, and the younger the pig
the more easily and economically it
can be fattened.

SAN ANTONIO LIVESTOCK. Monday, February 10.

(Federal-State Market News Service)
Light supplies in the cattle division
of the San Antonio market Monday
held price levels fully steady to
around 25 cents higher than last week
on most classes except warmed-up
and short fed steers and yearlings.
These held fully steady and moved
out a little better than last week.
Trading was very active on light re-
ceipts and a good early clearance was
made. Supplies included only 295
cattle and 333 calves, a very light
run for Monday. Good grades of
grass calves sold readily at \$6.00 to
\$6.25. Medium grades mostly \$5.00
to \$6.00; common kinds down to
\$4.00. Short fed and warmed up
steers and yearlings mostly \$6.00 to
\$6.65; plain kinds less; load lot
around 1150 pound fed steers held
at \$7.00. Good grades fat cows
around \$5.00; butcher kinds, \$3.50
to \$4.50; low cutter and cutter cows
in demand at \$2.75 to \$3.50. Weighty
bulls active at \$4.00 to \$5.25; few
up to \$5.50. Stocker and feeder
calves in very light supply; fully
steady at \$5.00 to \$5.75.

Hogs, 98 head; market fully steady
and active at last week's close of
\$9.00 on best 175 to 275 pound truck
offerings; desirable 140 to 150
pounds, \$7.50 to \$8.50; 150 to 170
pounds, \$8.25 to \$8.75; 275 to 300
pounds, \$8.25 to \$8.75; 300 to 350
pounds, \$7.75 to \$8.25. Packing sows
mostly \$7.50 to \$8.50; bulk of
slaughter pigs, \$7.00 to \$7.50; feeder
pigs around \$7.00.

No sheep or goats on offer but
quotation steady with last week; fat
lambs \$8.00 and down; shorn aged
wethers, \$4.75 and down; goats \$1.50
to \$2.50.

Receipts shown are from 6 A. M.,
Saturday, to 6 A. M., Monday.

Dr. A. B. Cox, director of the Bu-
reau of Business Research of the
University of Texas, has announced
there is a possibility of a viscose
rayon manufacturing plant being
constructed in Texas. Refuse cotton
stalks would be used for the purpose
of producing a pulp that would be
converted into dress goods, which in
finished state would be practically indistinguishable from real silk. In work-
ing out plans for this proposed new
industry, Dr. Cox is cooperating with
B. H. Palmer, physicist and chemist
of New Jersey. The discovery of the
process for this new use of cotton
stalks is the result of chemical re-
search, and the proved process has re-
cently been patented. Dr. Cox pointed
out that this State has an abun-
dant of the raw material needed
for the proposed plant. It is regard-
ed as not improbable that under the
process which Mr. Palmer has evolved
and patented for the utilization
of cotton stalks that the production
of rayon may be enormously increas-
ed. The Palmer patented process
would substitute cotton stalks for a
part of the wood pulp, which is used
with cotton linters in manufacturing
rayon. This mixed cellulose would
be also admirably suited, it is stated,
for the manufacture of high grade
paper at a very low cost. Dr. Cox
said. Other materials available in
abundant quantities in Texas which
would enter into the chemical process
of manufacturing rayon are caustic
soda and carbon bi-sulphide. If the
manufacture of rayon, and, possibly
paper, from waste cotton stalks and
other materials develops into a large
industry, as now seems possible, it
will bring to cotton growers of Texas
great financial benefits, it is stated,
their cotton stalks would have a
ready demand instead of being burn-
ed or plowed under as is now done.

YES
-you can

Are you one of these nervous
people who lie awake half the
night and get up feeling "all in"?
Why don't you do as other light
sleepers have been doing for
more than two generations—
take Dr. Miles Nerveine?

One or two pleasant effervescent
Nerveine Tablets or two or three
teaspoonfuls of liquid Nerveine
will generally assure a night of
restful sleep. Perhaps you will
have to take Nerveine two or
three times a day just at first.

Nervous people have been using
Dr. Miles Nerveine for Sleepless-

FACULTY SPONSORS REVUE.
A record crowd last Thursday
night in Hondo High School auditor-
ium guaranteed a financial success
of the musical and dramatic revue
sponsored by the Hondo High School
faculty, and the variety of the pro-
gram and the personality and talent
of the performers secured a very
pleasant evening's entertainment.
The program was presented by Mrs.
Barry, dramatic instructor of
San Antonio, with the performers
from the San Antonio Vocational
Technical School.
In addition to two one-act comedy
dramas and a fantasy, Billy Jack
Harris, San Antonio entertainer,
performed several numbers in which he ac-
companied his own dances with his
band, and Misses Lucy Magnon
and Pollyanna Earnest, dancers, also
performed brilliant performances in co-
medy.
A forty to fifty piece orchestra,
conducted by Jean Sarli, well-known
Hondo, played several selections
before the first curtain and after the
final curtain, and also accompanied
the dancers.
The proceeds of the entertainment
went toward payment of the furni-
ture in the Home Economics Depart-
ment of Hondo High School.
BORN AND DIED.
Malcolm, infant son of Mr. and
Mrs. Henry Newkirk of D'Annis, was
born Thursday morning, February 6,
1936, at Medina Hospital, and died
Friday and a half hours later. Funeral
services were held at 2 o'clock Fri-
day afternoon from the Horgor fu-
neral chapel, with interment made in
the Hondo Methodist church, of-
ficially.
Sympathy is extended the bereav-
ing parents on the loss of their infant
son.

EVENING SCHOOL FOR ADULTS
HOLDS FOURTH MEETING.

The evening school for adults which
is being held at the high school every
Monday night at 7:30 had as its
fourth topic for discussion, "Corn
Planting".
The three methods of planting
were discussed and it was the opinion
of some of the ones present that
Check planting could be used in this
community as well as in the North,
thus increasing the yield per acre.
Lister planting was also discussed
from the standpoint of placing the
corn deeper in the ground in order
that the plant may secure the limited
moisture that we have here. The
Furrow method, which places the corn
still further in the ground, was dis-
cussed. By planting the corn in a
deep furrow, weeds are more easily
controlled and the plant is more likely
to stand the drouth as well as also
withstand all winds.
The next topic for discussion is:
"Cultivation of the corn plant from
the beginning until harvest time."
Everyone interested in corn pro-
duction is cordially invited to attend
these meetings and help bring back
the record, to Medina County, of hav-
ing the best milling corn in the
South.
The work is under the direction of
Mr. Clifford Sadler, Vocational Agri-
cultural instructor of Hondo High
School.

WRITES FROM FLOODED AREA.

Mr. J. M. Reily of Waynesboro,
Miss., writes from the area that last
week was flooded by overflowing
rivers and creeks in Mississippi. He
write of being water bound for four
days but of being able to get out to
the North by February 10th.
The following is a newspaper re-
port on the flood situation:
Flood waters from the Chickasaw-
hay river appeared to have reached
the crest in the Waynesboro area,
and Saturday evening showed a fall
of about two inches in the area
around the river bridge on the
Waynesboro-Laurel highway.
The flood stage is reported to be
about equal that of 1929 and hun-
dreds of acres of lowlands are under
water along the river's path. Families
living in the extreme flood area are
being inconvenienced by the high
water, but no suffering or casualties
reported.

LADIES' BRIDGE CLUB.

Mrs. O. B. Taylor was hostess to
the Ladies' Bridge Club yesterday
afternoon, entertaining with a Val-
entine party. Red table covers and
appropriate red and white tallies car-
ried out the chosen theme. Refresh-
ment of molded red jello salad, with
salad and coffee, also suggested the
Valentine season. Trophies in
bridge were awarded Mrs. F. H.
Schweers for high score, Mrs. W. O.
Rothe for cut, and Mrs. Alfred
Schweers for guest. The members
and guests present were Mesdames
L. J. Brucks, Fletcher Davis, L. E.
Heath, J. M. Finger, Robert Kollman,
Earl Starnes, F. H. Schweers, W. O.
Rothe, Alice Reinhart, B. R. Eichen-
roht, and Alfred Schweers.

BIRY TEACHERS TO TEACH
NEAR DALLAS.

Prof. and Mrs. Gordon McCarley,
principal and teacher in the Biry
school for the past five years, were
both elected late in January to be-
come principal and elementary teacher
in the Kleberg school twelve miles
from Dallas.
Their duties are to begin in Sep-
tember 1936. In addition to other
duties of administrative capacity, Mr.
McCarley will direct Boy Scout activi-
ties for that section.
Both of these teachers hold de-
grees from the College of Arts and
Industries in Kingsville.

A SAD DEATH.

Friends here were grieved to learn
of the untimely death of Miss Alice
Newton which occurred at 4 o'clock
A. M. Thursday at Houston, Texas.
Miss Newton had recently undergone
an operation following which pneu-
monia developed.
Her body will be brought to Hondo
on the 4:30 train this afternoon and
will be buried at 3 o'clock Saturday
afternoon. The funeral will be con-
ducted from the Horgor funeral home.
Miss Newton had been a teacher
for some time in the Houston city
schools.

A DEPLORABLE TRAGEDY.

Raymond Fohn, the 13-year-old
son of Ferdinand Fohn of near Yan-
cey, was brought to the Medina Hospi-
tal Wednesday suffering from a
bullet wound in the forehead fired
from a target rifle about 5 P. M.
Tuesday.
The young man had a narrow es-
cape from instant death, but late
Thursday evening's report from the
hospital was to the effect that he
has a fair chance to live. He will be
permanently injured, however, it is
believed.

MRS. H. G. HARDT DEAD.

As we hurry to press Friday morn-
ing word comes of the sudden death
last night of Mrs. H. G. Hardt, about
65, which occurred at her home at
Yancey following an heart attack.
Funeral services are being held
this afternoon at 2 o'clock in Yancey,
with interment at 4 o'clock in New
Mountain cemetery.

TAXATION AND UNEMPLOY. WOMEN DIRECT BIG BUSINESS.

By Bert Lowe,
Cedaredge, Colorado.
As expense of government and
labor-saving devices increase, we are
faced with the problem of taxation
and unemployment. As civilization
with its higher standards of living
advances, we may as well resign our-
selves to the fact that there will be
an increase from year to year in
taxes. With this increase inevitable
by reason of the increasing numbers
to supervise and secure from want,
we face the necessity of greater re-
venue each year. To meet this de-
mand and find the balance on the
right side of the ledger we must
study carefully the sources of reve-
nue through our present system of
taxation and adopt measures to meet
it rather than to keep expense of
government on the same old budget.
To provide employment for the
masses in a field already overflow-
ing with surpluses is no easy matter.
Industrialists rebel at the govern-
ment competition with cheaper labor,
in any productive enterprises. We
have MASS PRODUCTION without
the wherewithal of MASS CON-
SUMPTION which would automatic-
ally provide revenue for government
expense. The only activities the
government may engage in, without
entering into competition with its
citizens is road work, CCC activities,
and other works that will not inter-
fere with private business. The ex-
pense to meet a program of public
work to relieve unemployment must
necessarily come through taxation.
The Sales Tax operating in some
states is creating revenues above an-
ticipation, but it is not at all satis-
factory in addition to a consid-
erable expense to administer, it of-
fers that same old problem of evasion.
The Jews at one time were a great
people; they are a great people to-
day. They gave to the world a re-
ligion with codes of justice which are
the foundation of our government.
The Jews in the ancient history of
their people gave 10% of all they
received to support the church and
state which was one. Today we have
complete separation of church and
state which allows every person to
worship according to the dictates of
their conscience—as it should be. We
are under no obligation, other than
our conscience, to give to the church,
but we should—each and every in-
dividual, be obligated to support the
government that affords us protec-
tion of life, liberty and the pursuit
of our different occupations, with-
out molestation where no law is vi-
olated. I believe a personal income
tax on salaries, no matter how small,
would be a better plan to raise the
money for taxes than a sales tax be-
cause the sales tax hits the families
least able to pay it the hardest.
The man with a salary of \$50 per
month could better afford to pay
1% on his salary than he could 2%
on all the things he bought with may-
be no salary at all. The per cent
of payments could be scaled up or
down according to the amount re-
ceived but nobody should escape the
obligation, and nobody should feel
they were paying too much. To pay
a part of your salary to the expense
of government is to feel you have
discharged an obligation. To pay a
tax on food you buy, makes one
feel they have been held up. We are
a great nation but we will lose our
greatness when we lose sight of the
teachings of our Lord and Savior
Jesus Christ—"It is more blessed to
give than to receive." We must for-
get about "Soaking The Rich", for
our industries must be run by private
capital or by the government. If by
private capital—in their employ if
you are abused, you can quit; but un-
der a dictator of the heavy hand of
state, how will you get anything fur-
ther? I believe the property tax
should be supplemented with an in-
come tax on every salary. Every
policeman, every government employ-
ee and beneficiary should pay a
small tax. They would feel they
had contributed their bit to govern-
ment and humanity, through govern-
ment activities. Many favor the
Townsend old age pension plan as a
lasting cure for unemployment. The
greatest threat to its success as I see
it would be in making the rounds of
all that money, much of it would fall
into the vaults of the "savers". La-
bor, too, would soon be in such de-
mand that foreigners would evade
the immigration laws and our own
workers, should they be so inclined,
make demands that would force
prices so high there would be little
gained, but that is something no mind
can determine for a certainty until
it is tried. It seems to me a safer
plan for our future welfare than the
present bureaucracies of supervising
every man's business and making a
failure of it all. Maybe I see wrong,
I always was handicapped by fore-
sight. It is every man's privilege,
however, to raise his voice in affairs
of government. It is also his duty.

REDBIRDS WIN OVER YANCEY;
LOSE TO BINGERS.

One of the roughest and toughest
games played at the local gym this
season, was witnessed by the basket-
ball fans who saw the local cagers de-
feat the Yancey farmers on
Monday night. The game was an
exciting affair, marked with thrills
and spills from start to finish, with
the Yancey boys fighting hard to
overcome the Redbirds' lead, how-
ever, the visitors were outclassed and
trailed the local quintet by a score of
22 to 12 at the final whistle. Rath
was the leading scorer of the night.
Last night the Redbirds journeyed
to San Antonio where they met one
of the fastest teams in the city, the
Bingers' Pharmacy quintet, who were
strong contenders in Commercial
league of San Antonio. It was a nip
and tuck affair throughout, the San
Antonio team nosing out the Redbirds
by one point. The score was 37 to 36.
Barry and Sadler with 12 and 11
points respectively, held high scoring
honors for the Hondo team.
Tonight at 8:15 the Redbirds meet
the Devine Town Team at the Fair
Grounds gym. This game will follow
the first game of a double-header.
The Hondo High School Owls tangle
with the Devine high team in the
opening game of the night, at 7 P. M.

IT WORKED
FOR ME
Women should
take only
liquid
laxatives
MORE people could feel fine, be
fit and regular, if they would
only follow the rule of doctors and
hospitals in relieving constipation.
Never take any laxative that is
harsh in action. Or one, the dose of
which can't be exactly measured.
Doctors know the danger if this rule
is violated. They use a liquid laxative,
and keep reducing the dose until the
bowels need no help at all.
Reduced dosage is the secret of
aiding Nature in restoring regularity.
You must use a little less laxative
each time, and that's why it should
be a liquid like Syrup Pepsin.
Ask your druggist for a bottle of
Dr. Caldwell's Syrup Pepsin, and if
it doesn't give you absolute relief, if
it isn't a joy and comfort in the way
it overcomes any sluggishness or
biliousness, your money back.

A MOUSE STORY.
THE WORSHIP OF HITCH HIKE.

Most people think of purple mice,
singing mice, etc., with close connec-
tion with the "flowing bowl". How-
ever, this is not always the case. Re-
cently, while visiting my grandpar-
ents, I heard of a singing mouse. This
mouse had found his way into the
house, and in spite of efforts to trap
or poison him was still at large. He
had been seen about the house sev-
eral times and appeared perfectly
normal. The first night of my visit,
he sang most of the night. Of course,
the mouse did not sing like people do,
but, nevertheless, it was singing. It
resembled a cricket singing tenor.
And now comes the touching part.
When I awoke in the morning, there
lay the mouse beside my bed. He was
dead! I am ignorant of the cause of
his death unless, hearing me snore,
he died of shame for his own vocal
powers.
The moral of this story is that,
while ditch-digging is not dishonor-
able, it is very unhandy. Therefore,
go to work!
LEGACY.
By Halcyone C. Morgareidge.
"She walked in beauty" even while
she lived
In rooms where beauty never came
except
As her own hands might bring it
there. Her heart
Delighted in all loveliness. Her eyes
Searched the night sky and garnered
in their depths
The quiet shining glory of the stars.
And all the cleanliness of outer space
She sought to bring within her own
four walls.
The finery that others buy with gold
She never knew. But she had grass,
and birds,
And little downy chickens; and her
days
Were filled with joy for every rose
that bloomed.
Armored against all ugliness she lived
Her gracious years, and, when the
time was ripe,
She went. And this her priceless
legacy—
That we who once were beauty-blind
now see.

CASTROVILLE, TEXAS, TUESDAY, FEBRUARY 11, 1936

CASTROVILLE ZION'S LUTHERAN CHURCH.

Announcements:

Sunday, February 16.—Sunday school and Bible class at 9:30 A. M. Ladies' Aid anniversary service at 10:30 A. M. Musical and literary program in honor of the Ladies' Aid Society, at 8:00 P. M.

A hearty invitation to all.

K. KONZACK, Pastor.

On account of the continued bad weather a large number of our people are still on the sick list.

Mr. and Mrs. Otto Haegelin of River Side took in the horse races at Alamo Downs Tuesday.

Mr. Wm. Iltis and family of Delta were Castroville visitors Sunday.

Julius E. Mueller was a Hondo visitor Thursday.

Miss Louisa Haass of Noonan is the proud owner of a V-8 Ford, recently purchased from Joe A. Bader.

Mrs. Chas. Suehs was hostess to a birthday party Sunday, February 9, given in honor of her mother, Mrs. Josephine Naegelin, whose birthday anniversary it was. After several games of cards were played the hostess served a lunch which consisted of hot tamales, cake and coffee, which everyone enjoyed. At a late hour all departed for their homes, wishing the honoree many more birthdays.

It was her 84th birthday and about 25 guests were present to observe it.

Mrs. Emil Zimmerman, Pete Rihn and Isabella Wiatrek spent Monday afternoon with Mrs. Joe Keller and family at LaCoste.

Mrs. Adeline Kleiber was a visitor in San Antonio Monday.

Mr. and Mrs. Hilmer Mangold spent last week-end at the Schuchle ranch near Hondo.

Mrs. Helen Bowman of San Antonio is here to visit awhile with her sister, Mrs. Nick Hutzler.

Mrs. Della Koenig and Mrs. Louis Schott were able to return home Saturday from the Santa Rosa Hospital where they have been patients for the past few weeks.

Mrs. Henry Vonfille is reported to be very sick at this writing.

Mr. and Mrs. Gus Schneider and daughter of Hondo were Castroville visitors Sunday.

At a meeting held last Wednesday, February 5th, at Castroville, by the Castroville Tax Payers League, the following resolutions were adopted.

That, Whereas a \$20,000.00 county-wide bond issue has been called to be voted on on the 29th of this month,

And, Whereas, the debts of this county and its subdivisions last year amounted to four million dollars,

And, Whereas, some time ago, the irrigation company's debts, of \$2,500,000.00 was reduced by government aid to \$750,000.00, still leaving this county and its political subdivisions in debt to the tune of about \$1,500,000.00;

And, Whereas, the tax burden has become so great that a large number of tax payers are in default;

And, Whereas, the imposition of more, unjustifiable and intolerable taxes, has destroyed governments, overturned kingdoms, dissolved empires and cursed the world with war through the history of civilization;

And, Whereas, the levying of unjust taxes upon our forefathers caused Great Britain to lose her American colonies which have since become more valuable than any other earthly possessions, if the people of Medina County will on this occasion tread the beaten path of folly in which others have gone to disaster, shall we not tomorrow eat their black bread of affliction and drink their bitter cup of regret;

And, Whereas, as a large number of people are on relief and have to work for a small remuneration in order to make ends meet, and have no time to spend on playgrounds but must provide for their families to keep the wolf from their door;

Therefore, Be it resolved, by the Castroville Tax Payers League in meeting assembled, that we urge the tax payers of Medina County to come to the polls on the 29th of this month, and administer a crushing defeat to this bond issue propaganda;

Be it further resolved, that nothing shall be left undone to inform the people of the dangers lurking behind these movements;

And, Be it further resolved, that we oppose the spending of our tax money for the holding of useless and unnecessary elections.

CASTROVILLE TAX PAYERS LEAGUE.

Unanimously passed at the meeting of the Castroville Tax Payers League last Wednesday.

THE CHERRY CLIMAX COMES IN FEBRUARY

CHERRIES are eaten all year round in this country, including February, but the peak of their consumption probably comes in this famous month not only because it is the month of George Washington's birthday and we are reminded of the story of his truthfulness about the cherry tree, but because "red" is a pretty color to put in party foods for St. Valentine's Day and Lincoln's birthday. A National Cherry Week is held annually, from February fifteenth to February twenty-second, this year, at a time when housewives are interested, too, in putting some fruit into the diet to offset the effects of the necessarily heavier winter foods.

A Thrift Opportunity

With the current sales of canned cherries it is a good time for the thrifty housewife to stock up on a variety of them. There are two principal types of canned cherries—sweet and sour. There are both black and white sweet cherries. Sour cherries are red. The most abundant black sweet cherries are the Bing and Windsor, and the most famous white ones are the Royal Annes. Sour cherries are usually either Richmond or Montmorency. Sweet cherries are canned unpitted. Sour cherries are always canned with the pits removed.

This is a good season, too, to check up on your cherry recipes, and make sure they include some of the best ways of serving these fruits. The sweet cherries are delicious and decorative for use in salads, and the sour are grand for making cherry puddings and also for serving with meats when their tart flavor is needed.

Here are two new cherry

recipes which you will be glad to add to your repertoire:

Baked Cherry Pudding: Cream together four tablespoons butter and one cup sugar, add three-fourths cup of milk alternately with the following sifted dry ingredients: one and one-half cups flour, two teaspoons of baking powder and one-fourth teaspoon salt. Pour into a buttered baking dish. Meanwhile boil together for five minutes the contents of one No. 2 can of pitted red cherries, one-half cup sugar and two teaspoons grated orange rind. Pour this on top of the batter, and bake for about thirty minutes in a medium oven—350 degrees. The dough will rise to the top, the cherries and syrup sink to the bottom, forming a sort of sauce. Turn out upside down and serve warm with plenty of cream. This serves eight persons.

Cherry Queen of Puddings: Pour two cups of hot milk over one cup of dry bread crumbs which are fairly fine. Add one-half cup of sugar and two tablespoons butter. Let soak for five minutes. Then add the lightly-beaten yolks of three eggs, and pour into a buttered pudding dish. Bake in a slow oven—375 to 390 degrees—for from forty to fifty minutes, or until a knife, inserted, comes out clean. Meanwhile cook the contents of one No. 2 can of pitted red cherries with three-fourths cup of sugar until the syrup is thick, then cool slightly. When the pudding is done, spread this cherry mixture on top, cover with a meringue made of three egg whites and six tablespoons of sugar. Return to the oven for about fifteen minutes or until the meringue is firm and a delicate brown. Serve cold. This serves eight persons.*

HIS ANNUAL BATH.

Once a year the newsboys of London are given an outing some place on the Thames River, where they can swim to their heart's content. As one little boy was getting into the water, his little friend said: "Johnnie, you're pretty dirty!" "Yes," replied Johnny, "I missed the train last year."—Store Chat.

The Vogue For MIXED VEGETABLES

WELL blended vegetables are like well blended colors. They produce harmony. Every housewife knows how important it is to get a variety of vegetables into the family diet, and how difficult it is in households where Mary likes one vegetable and Johnnie likes another. The task of scraping, dicing and cooking takes time and labor.

Canners have produced a harmony of flavor and taken a task off the hands of the housewife, in preparing delicious canned mixed vegetables. You will want to know lots of delicious ways to serve them this winter. For example:

For Chilly Days

Scalloped Mixed Vegetables: Turn the contents of one No. 2 can mixed vegetables which have been drained, into a buttered baking dish, and pour over one-half cup of cream. Mix together one-fourth cup grated cheese and one-fourth cup buttered crumbs, and sprinkle over the top. Brown in an oven. This serves six persons.

Baked Stuffed Peppers: Cut off the stem ends of six or eight medium-sized green peppers and remove the seeds and membrane. Parboil for two or three minutes in boiling water and drain. Combine the contents of one No. 2 can mixed vegetables with one cup of white sauce. Season well and fill the peppers with the mixture. Top with buttered crumbs. If desired, a square of sliced cheese may be placed on each pepper. Place close together in a shallow pan and surround with a little hot water. Bake until tender and browned, or about thirty minutes. This serves six persons.

Vegetable Pie: Turn drained vegetables from a No. 2 can of mixed vegetables into a buttered baking dish and pour over the contents of one 10½-ounce can of tomato soup. Roll out biscuit dough, cut in rounds and lay on top. Bake for fifteen to twenty minutes in a hot oven. This serves eight persons.*

COUNTY SURVEYOR KEPT BUSY.

County Surveyor A. H. Rothe and his assistants left Monday for Bandera County to work on several tracts which were recently sold there. In

LULLS IN INSECT LIFE MAY FOOL ORCHARD MEN.

Cracking down on an insect after nature has reduced its numbers is good strategy, say entomologists of the United States Department of Agriculture. Any let-up in control measures when adverse weather or natural enemies have cut down a crop pest means future trouble for growers. An ebb in insect life is likely to be followed by an upturn.

Because the spring and early summer of 1935 were cool the codling moth had a relatively short season and did much less damage than usual in the East and Middle West. It appeared in average numbers in the Pacific Northwest, where, however, it was well above average in 1933 and 1934.

Entomologists warn growers that this lull does not mean that the codling moth is permanently on the wane. Right now, they say, enough larvae to be the forerunners of enormous numbers of worms next season—if the winter is not too severe—are tucked away in cocoons under loose bark on trees or hidden in debris on the ground, in packing sheds, and in cider mills. Vigorous control measures this winter will give growers a running start in the race against next summer's worms.

Scraping loose bark off trees and destroying it will kill many overwintering worms and expose others to the attacks of parasites, predators, and birds. Winter scraping is a prerequisite for summer banding to trap the first brood worms as they crawl down the tree from the apples on which they hatched from eggs laid by adult moths.

January of this year he made a complete survey of the Ida B. Woodson ranch lands, which lie mainly in Medina County along the Medina County line. He has also been employed to reestablish old land and Railroad Block lines in western counties. Mr. Rothe, who holds permanent State license, has been called upon to do private and state surveying in 17 counties besides Medina County, namely: Uvalde, Zavala, Kinney, Frio, Valverde, Edwards, Real, Terrell, Bandera, Bexar, Comal, Guadalupe, Atascosa, Dimmit, Duval, and Maverick.

10TH TRADES DAY.

The results of the 10th Trades Day for D'Hanis, held Tuesday, are as follows: \$10.00, Juan Ibarra; \$5.00, Catarina Cortez; \$1.00 each, Mrs. O. Rothe, Theodore Keller, Mrs. A. Batot, Paul Reinhart and Francisco Ortiz.

BRIDGE CLUB

Mrs. Ferd. Rock delightedly entertained at bridge last Thursday afternoon in her home. Trailing in and potted plants were used as decorations in the rooms. At the close of the games high score prizes were won by Mrs. Herman Ney for men and Mrs. Margaret Hubbard for women. Mrs. Biry received high score prize and Mrs. John Rieber high for consolation.

Others enjoying the party were Mesdames E. A. Rothe, John Zinsmeyer, Ed. Finger, A. J. Finger, B. Koch and Misses Tina Rothe, Urs Lee Rock and Corry Koch.

The hostess served a delicious ad course.

in the spring. Every worm thus caught reduces the size of the second brood. Bands can be cheated out of their catch by loose bark or other convenient quarters that the worms like.

SOIL SAVING FURROWS LIKE LINES OF FIRE HOSE.

Like long lines of fire hose at a third-alarm fire, or miniature furrow line trenches, contour furrows beginning to stretch across hillsides, pastures in soil conservation projects of the United States Department of Agriculture.

Typical of the specialized machinery being developed to conserve the nation's soil resources is the ingenious device in use on the Manassas, Kansas, project. A U-knife slices a strip of sod some 4 inches deep at about 16 inches wide. Curved up, on the downhill side of the furrow. An attached roller, slightly off the edges, packs the strip firmly in place. The machine is pulled by tractor, team, or tractor.

Within a year or two grass covers the bottom and sides of the furrow so that there is no loss of pasture. Water that once ran away now soaks into the soil or creeps slowly along the serpentine furrows.

Contour furrows conserve moisture, help to develop more permanent pasture keep seed from washing away and promote a greater variety of vegetation.

It is doing some service to humanity, to amuse innocently.—H. Moss

Find Out

From Your Doctor if the "Pain" Remedy You Take Is Safe.

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations

BEFORE you take any preparation you don't know all about, for the relief of headaches; or the pains of rheumatism, neuritis or neuralgia, ask your doctor what he thinks about it—in comparison with Genuine Bayer Aspirin.

We say this because, before the discovery of Bayer Aspirin, most so-called "pain" remedies were advised against by physicians as being bad for the stomach; or, often, for the heart. And the discovery of Bayer Aspirin largely changed medical practice.

Countless thousands of people who have taken Bayer Aspirin year in and out without ill effect, have proved that the medical findings about its safety were correct.

Remember this: Genuine Bayer Aspirin is rated among the fastest methods yet discovered for the relief of headaches and all common pains... and safe for the average person to take regularly.

You can get real Bayer Aspirin at any drug store—simply by never asking for it by the name "aspirin" alone, but always saying BAYER ASPIRIN when you buy.

What Is a Reprint?

SOMETIMES your newspaper ad carries a sales punch that you feel is worth reiteration. You feel further that it will be very effective if it is sent directly to certain prospects and customers. And perhaps you feel that it will be still more effective if it is dressed up a bit—given a distinctive border, or maybe printed in colors.

Bring your problem to us, and we will evolve a satisfactory REPRINT. Let us print as many of these as you can use and then mail them out with your correspondence or statements, or to a picked mailing list.

This method of advertising is often used by our best customers who wish to stress certain value in some particular line. It works for them it will work for you.
